

get the right job

with social media!

80% of hiring managers use social media to find talent, are you being strategic with social?

- how to discover your personal brand
- how to use LinkedIn to get interviews
- dominating your Google search
- effectively use Twitter to uncover hidden jobs
- enjoy your Facebook account without worrying

Joshua Waldman

Speaker & Author of *Job Searching with Social Media for Dummies*

you will be delighted with an engaging, highly energized and informative presentation which will yield immediate and powerful results.

“

After applying what I learned from Joshua's presentation, not only did I get hired, but I got two raises in just 1 year!

-Carmen Campbell

”

“

I had been looking for a job for six months, then I used Joshua's suggestions. The next week, I received over 17 responses on LinkedIn.
